### Individual Athlete Highlight/Recruiting Videos

There is increasing competition among student-athletes for college sports scholarships. A well-done, professional video highlighting an athlete's strengths can give them an edge when being considered by college coaches and scouts.

SEVideo is Western NY's most experienced sports videography service. In recent years we shot over hundreds of games of various sports and produced over dozens of highlight videos for teams and individuals.

All shooting by SEVideo is accomplished with 3-chip digital cameras and tripods. Editing is also totally digital, utilizing our multiple non-linear computer editing systems.

It is our experience that some college coaches want highlights and others want an entire game. We have them both covered. Each SEVideo-produced highlight/recruiting video includes:

- An introductory segment including athlete info, stats, camps attended, academic standing, etc.
- A short highlight segment with athlete spotlighting and appropriate graphics & titling
- A complete game
- Repeat of introductory segment

#### **HIGHLIGHT/RECRUITING VIDEO PRICING:**

All highlight /recruiting videos include free consultation with one of our Sports video experts.

- Up to 20 clips from up to 5 games, logged by client, with introductory titling, 10 DVDs: \$495.
- Up to 20 clips from up to 5 games, no logging, with introductory titling, 10 DVDs: \$595.
- In-studio personal introduction by athlete (\$95)
- Encoding and Upload of highlight video for web viewing: \$75
- Additional DVD copies: \$7.50 each
